

Bulky Waste Collections.

The arrangements for Bulky waste collections will be subject to a service review in 2010. At present this is a chargeable additional waste collection service, offered to residents.

It is not at this stage proposed to alter the existing policy until the completion of a full service review has been undertaken, details of the existing policy are:

Bulky Household Item Collections

- **Charges subject to annual review in Councils fees and charges.**
- **Prior payment for collection must be made.**
- **The items that can be collected include: Beds, Wardrobes, Three piece suites (counts as three items), Fridges or freezers, Cookers, Chest of drawers**
- **The minimum charge for a bulky item collection is £10. This entitles the householder to the removal of two items. Further items are charged at £5 each.**
- **Bags will be removed, for every four bags, a £5 charge is made.**
- **Items must be left outside for collection.**
- **Collections cannot be made from flats, where the objects would have to be carried downstairs.**
- **All items to be collected must be placed outside at ground level for collection**
- **Cast iron baths and boilers must be broken up into manageable sized pieces.**
- **Bulky items will be collected within 10 working days.**
