Parish Councils

Under the arrangement for Council Tax, parish councils issue a precept to the Borough Council for their financial needs. This is paid from the Borough Council's general fund and is recovered by setting a Council Tax for each parish council which is included in the total amount billed to Council Tax payers within the parish concerned. The table below shows each parish precept for 2021-22 and 2022-23. It also shows the tax base (equivalent number of Band D properties) and consequent Band D tax

Struggling to pay your rent or Council Tax?

If you are worried about paying your Council Tax bill we may be able to reduce it if:-

- You live alone
- You are disabled and your property has been adapted because of this
- You are being cared for somewhere other than your main home
- Someone in your house is over the age of 18 and is severely mentally impaired.

Welfare benefits such as Housing Benefit and Council Tax reduction are also available.

Many people do not know about these benefits while others think that they will not be entitled because they have a retirement pension and a few savings.

It is now also possible to pay your Council Tax over 12 installments rather than 10.

For further information on any of the above please contact 01782 715500
