THE BOROUGH COUNCIL OF NEWCASTLE-UNDER-LYME

Councillor Code of Conduct Complaint Form

Introduction

This form is for complaining that a Newcastle-under-Lyme Borough Councillor, or a Councillor sitting on one of the Town or Parish Councils in the borough, has acted in breach of their relevant Council Code of Conduct. This form is not for any other type of complaint.

In order for a complaint to be considered, the Councillor in question must have been acting in their capacity as a Councillor at the time of the issue complained about. The Code of Conduct does not apply to Councillors when they are not acting in that capacity.

The conduct complained about must also have occurred within the last 12 months. We may consider older complaints, but you must set out in this form exceptional circumstances as to why the complaint wasn't made within 12 months.

Use of Data

We will use the information you provide to assess, investigate and determine your complaint. This will include sharing that data with the councillor you are making a complaint about, as well as other relevant individuals such as an investigator, witnesses, councillors on a panel that may be convened to determine the complaint and "independent persons" who are appointed by law to help the Monitoring Officer consider your complaint.

If you do not want us to share your information, you need to tell us why in this form. This will usually mean we are not able to consider your complaint, because being unable to share your information will restrict our ability to thoroughly consider your complaint, and the councillor's ability to fully respond to it. We will need to be satisfied that there is a good reason not to share information, and that the complaint can still be properly and fairly investigated.

We keep all records for a period of 6 years following determination of the complaint, so that we can deal with any challenges to the process that may arise during that time.

If you are complaining about more than one Councillor you should clearly explain what each individual person has done that you believe breaches the Code of Conduct.

It is important that you provide all the information you wish to have taken into account. For example:

- You should be specific, wherever possible, about exactly what you are alleging the Councillor said or did. For instance, instead of writing that the Councillor insulted you, you should state what they said or did.
- You should provide the dates of the alleged incidents wherever possible. If you cannot provide exact dates it is important to give a general timeframe.
- You should confirm whether there are any witnesses to the alleged conduct and provide their names and contact details if possible. We may contact witnesses you tell us about.
- You should provide any relevant background information
