

Bradwell, May Bank, Porthill & Wolstanton Neighbourhood Forum

Application for designation as a Neighbourhood Forum – 30 November 2022

- The name of the proposed neighbourhood forum is Bradwell, Maybank, Porthill & Wolstanton Neighbourhood Forum.
- The written constitution for the proposed neighbourhood forum can be found below.
- The area to which the forum relates is the County Council division of Bradwell, Porthill & Wolstanton with the Borough ward of Maybank.
- The contact details for the Forum are County Councillor Graham Hutton, County Buildings, Martin Street, Stafford, ST16 2LE, 07976 641601 (graham.hutton@staffordshire.gov.uk)
- The proposed Forum came about as a way residents could have a greater say in the management of development and highways. There are no parish councils in the area and residents wanted the same right to comment on proposals as parish councils enjoyed. Residents also want to develop a Local Neighbourhood Plan. There was a Local Action Partnership covering the exact same area, but this has largely become dormant.

History & Consultation

- The idea of the Forum came from residents asking the County Councillor if he could help set up a Parish Council. This was in October 2021. Research showed that a parish council for Wolstanton had been proposed some years earlier but had been voted down. An alternative was looked for and the Borough Council was engaged. Originally the Forum was only intended to cover the County Division of Bradwell. Porthill & Wolstanton. The Planning Strategy officer was extremely helpful in providing information and The Chief Executive and Leader of the Borough Council both gave their blessing. Since December 2021, the County Councillor has written or emailed every church, school, community centre, community group, sports club and spoken to hundreds of residents about the idea of the Forum. He has visited many businesses, including all the superstores on the Wolstanton retail park (these three times) to elicit support. He has explained what he was trying to do to Borough and County Councillors and the local MP. Then Maybank Councillors wanted to be part of the Forum, as traditionally they have always worked closely with Wolstanton, and the moribund Local Action Partnership covered the exact area that the proposed Forum will cover.
- The County Councillor also approached the County Council officer responsible for LAPs, Parish Councils, Neighbourhood Forums and other such bodies as well as the Borough Officer responsible for LAPs and parishes. Both were helpful and supportive. The Chair of the moribund LAP was approached regarding

transferring the funds from the LAP to the Forum and this has been agreed, subject to an EGM endorsing that agreement.

- A final meeting was held on 24 November 2022 between the County Councillor and the Planning Strategy Officer. A small tweak to the constitution and advice on what more needs to go into the application was given by the Borough.
- Attached are the names and addresses of those that support the formation of the Forum. Groups continue to join when they hear about the Forum, with St Wulstan's Scout Group joining on 27 November 2022.
