# The Owen Project

Staffordshire (Stoke-on-Trent & Newcastle-Under-Lyme Primarily)

A community-led initiative that brings people together through inclusive activities, support groups, and creative events, all shaped by the wants and needs of local residents.

We offer support in all aspects of life—from tackling loneliness and isolation to help with food support, form filling, and more. If the community asks for it, we'll always do our best to make it happen and improve life locally.
