It is the Council's chosen plan.</del></p> <p><del>1.3 The Regulation 19 Final Draft Local Plan consultation is part of the plan-making process, which will lead to the examination of the Local Plan by an independent Planning Inspector appointed by the Secretary of State. At that future examination, the Inspector will consider whether the Local Plan is 'sound' and has been prepared in accordance with legal and procedural requirements. The comments provided at the Regulation 19 stage will be sent to the Government appointed Planning Inspector when the Plan is submitted for examination and will help inform the examination on the Plan.</del></p> <p><del>1.4 To assist a future planning inspector(s), it is requested that comments made on the Plan relate to the tests of soundness that the Inspector will consider (as well as any legal or procedural requirements) which include whether the Plan is positively prepared, justified, effective and consistent with national policy. Advice on the tests of soundness can be found in the National Planning Policy Framework.</del></p> <p><del>1.5 The Local Plan is also supported by a Sustainability Appraisal and a Habitats Regulations Assessment.
