Inspector Hearing Document IHD 7

MINOR CHANGES

It would assist the Inspector if, for completeness, the Schedule of Changes now incorporates the following points. If the schedule has already been numbered C1, C2 etc. they can be inserted in plan order by using eg. C25a. They do not need to be physically inserted in the existing Schedule but the Councils are asked confirm their agreement to the following and to provide suitable reference numbers for each item in a CHD by noon on Friday May 22.

Word changes already suggested by the Councils:

- Amendment to CSP7 (CHD16)
- New para 5.30 (CHD21)
- New CSP3 (CHD22)

New points:

- In the Proposals Map, Plan 9, CSP8 and supporting text change 'Mineral Safeguard Areas' to 'Mineral Safeguarding Areas' for consistency with MPG1.
- Remove Stoke Green Belt areas from the plan at the beginning of Section 5 as per Plan 8.
