

Matter 1: Issue 6 – Proposals Map and Key Diagram

Plans/Diagrams –

- Plan 2 – Has been made clearer and more prominent in the document by reformatting and placing it within the text of Section 2; and inserting an alternative illustration for the title page of section 2.
- Plan 5 – The University Boulevard and Stoke station have been added to Plan 5; and a red line indicating the Etruria Road corridor has also been added.
- Plans 5, 6, 7 and the Key Diagram – The areas of housing intervention have been numbered on plans 5, 6 and 7 as per the key diagram. A schedule has also been prepared relating the numbers to names on the key diagram and plans 5, 6 and 7 (See Appendix 1).

Proposals map for Newcastle:

- The Keele village boundary for infilling in the green belt (the orange dotted line) has now been added on to the Proposals Map. This was accidentally omitted. This designation relates to Saved Policy S3: Development in the Green Belt.
- To improve clarity, the Key for the Proposals map has been amended as follows:
 1. The Key has been amended to group all the Saved Employment Policies under one colour rather than listing them separately.
 2. The same has been done to the Saved Community Facilities Policies – these are now grouped under one colour.
 3. This has also been applied to the Saved Country Parks and Countryside Parks Policies – these are listed under one coloured box.
- The designated International and national biodiversity sites have been added to the Proposals map. These were related to Local Plan Policies: N5 and N6. As these policies were not saved, but the site designations are still relevant, they have been added under an 'other designations' section.
- It was felt that the map was difficult to read. The scale of the map has, therefore, been amended – the Northern sheet has been set to scale: 1:12,500 and the Southern sheet to scale: 1:20,000 (this is different due to the shape and size of the South of the Borough). This is consistent with the Local Plan Proposals Map.

Proposals map for Stoke:

- The designated international and national biodiversity sites have been added to the Proposals Map.

Appendix 1 –

Areas of Intervention – List of Names and Reference Numbers Shown on Plans 5 to 7 and Diagram 1

Areas of Major Housing Intervention / Spatial Strategy (Plan number)

1	City Centre South	City Centre and Inner Urban Core Spatial Strategy (Plan 5)
2	City Centre East	City Centre and Inner Urban Core Spatial Strategy (Plan 5)
3	City Centre North West	City Centre and Inner Urban Core Spatial Strategy (Plan 5)
4	Knutton / Cross Heath	Newcastle and Kidsgrove Urban Neighbourhoods Spatial Strategy (Plan 7)
5	Meir	Stoke Outer Urban Area Spatial Strategy (Plan 6)
6	Middleport	City Centre and Inner Urban Core Spatial Strategy (Plan 5)
7	Shelton	City Centre and Inner Urban Core Spatial Strategy (Plan 5)
8	Stoke	City Centre and Inner Urban Core Spatial Strategy (Plan 5)

General Renewal Areas

1	Birches Head	City Centre and Inner Urban Core Spatial Strategy (Plan 5) (currently omitted, needs to be added)
2	Burslem Park	City Centre and Inner Urban Core Spatial Strategy (Plan 5)
3	Chesterton	Newcastle and Kidsgrove Urban Neighbourhoods Spatial Strategy (Plan 7)
4	Dresden	Stoke Outer Urban Area Spatial Strategy (Plan 6)
5	Normacot	Stoke Outer Urban Area Spatial Strategy (Plan 6)
6	Smallthorne	Stoke Outer Urban Area Spatial Strategy (Plan 6)
7	Tunstall	Stoke Outer Urban Area Spatial Strategy (Plan 6)

Other Areas of Housing Intervention

1	Abbey Hulton	Stoke Outer Urban Area Spatial Strategy (Plan 6)
2	Bentilee	Stoke Outer Urban Area Spatial Strategy (Plan 6)
3	Blurton	Stoke Outer Urban Area Spatial Strategy (Plan 6)
4	Coalville	Stoke Outer Urban Area Spatial Strategy (Plan 6)
5	Norton	Stoke Outer Urban Area Spatial Strategy (Plan 6)
6	Kidsgrove	Newcastle and Kidsgrove Urban Neighbourhoods Spatial Strategy (Plan 7)
7	Newcastle Town	Newcastle and Kidsgrove Urban Neighbourhoods Spatial Strategy (Plan 7)
8	Fegg Hayes	Stoke Outer Urban Area Spatial Strategy (Plan 6)
9	Silverdale	Newcastle and Kidsgrove Urban Neighbourhoods Spatial Strategy (Plan 7)

All the above numbered areas are shown on Newcastle-under-Lyme and Stoke-on-Trent Core Spatial Diagram 1

Birches Head GRA is missing from Plan 5
City Centre South AMI is shown twice on Plan 5
