**Main Purpose of Job**

The postholder will support the Environmental Health service in delivering statutory functions that protect public health. Areas of work will include food safety, health and safety, environmental protection, licensing, air quality, nuisance investigation and infectious disease control.

Communicating with members of the public and investigation of complaints. Carrying out site visits to take samples, investigate complaints, inspect premises and/or assess compliance.

To keep accurate records on our Management Information System (MIS) and assist with the production of statutory returns that require information on our sampling/inspection activities.

### **Main Duties & Responsibilities**

1. Carry out statutory sampling programmes for food, bathing waters, air quality, nuisance and private water supplies.
2. Investigate infectious disease notifications in partnership with the UK Health Security Agency, interview cases, distribute sample pots and provide hygiene advice as necessary.
3. Respond to environmental health and licensing service requests from residents and businesses in accordance with departmental procedures.
4. Assist with the investigation of statutory nuisance/smoke complaints, installation of noise equipment and collection of evidence.
5. Conduct programmed/new inspections of lower-risk premises for food safety, health and safety, licensing and environmental health compliance.
6. Assist with inspections of licensed/registered activities such as tattooists and skin piercing.
7. Support Environmental Health colleagues by undertaking revisits, organising sampling and assisting with technical tasks.
8. Deliver occasional talks and presentations as part of public health projects.
9. Prepare reports, statistical data and information to support service delivery.
10. Ensure safe use and security of equipment assigned to the role.
11. Maintain accurate records on departmental Management Information Systems to record visits, actions and file notes.
12. Work flexibly, including evenings, weekends and participation in out-of-hours duties as required.

### **Service Responsibilities**

1. To be aware of and comply with current Health and Safety Regulations and the Borough Council's Health and Safety Policy and Procedures as they relate to the duties and responsibilities of the post.
2. To be proactive in personal and professional development, updating knowledge and skills by appropriate means as agreed annually through the Council's Performance Appraisal Scheme.
3. To maintain awareness of risks and incorporate these into the formal risk management process and also to control the risks inherent in your job and report any risk concerns to your manager.

Classification: NULBC **UNCLASSIFIED**

4. To produce any performance information required in a reliable, timely and accurate way, in accordance with the Council's Data Quality Policy.
5. To be aware of and adhere to the Council's Equal Opportunities Policy.
6. To be familiar with the obligations and requirements of the Council's information security and data protection policies and procedures as they apply to the post, ensuring that confidential and sensitive data used by the post holder is held securely and personal data is obtained, processed and disclosed only in accordance with the principles and requirements of the Data Protection Acts.
7. To contribute to any internal and external audit programmes and be responsible for the implementation of agreed audit recommendations.
8. To be aware of and adhere to the Council's safeguarding Children and Adults at Risk of Abuse and Neglect Policy.

#### Occasional Tasks/Duties/Responsibilities

1. Requirement to take a role in relation to civil contingencies as needed.
