CHD 20 and 21

The Councils accept that there is demographic evidence that the population is ageing, but wish to reiterate the comments made at the Hearing, that the needs of the elderly must be met in a variety of ways, which are appropriate to an individual's care needs, and may include; Extracare, residential care, as well as helping people to live independently in their own home. The need for future provision will be determined in accordance with locally based assessments, which in the case of Newcastle Borough will be undertaken by the Local Authority in partnership with Staffordshire County Council.
