

Kidsgrove Town Deal Projects

Project Timelines

Enterprise units

The project	Three new Enterprise Units are currently being built on the council owned car park on Meadows Road – 16 x 2-hour public car parking spaces will be available at the site on completion. The units are already generating rental interest.
Start date	Already underway
Duration/expected completion	6 months December 2026

Highways

The projects	Start date	Duration/expected completion
Market Street one way system – residents have indicated that they have wanted this for many years. The road will become one-way towards Heathcote Steet from the service yard entrance. New parking will be available outside the shops, including a new loading bay by the Queens Head. Improvements will include a pedestrian crossing point and new streetlights.	13th July 2026	5 weeks Mid August 2026
The Meadows/Station Road one way system, which will help with traffic flows into and out of the station. This will include signage, resurfacing and updating of kerbs.	13th July 2026	9 weeks Mid September 2026
Evening and nighttime works are required in both areas to maintain access to businesses, but these are being minimised. The top car park at Heathcote Street will be used as a works compound for the duration of the highway works.		

Public Realm (King Street precinct)

The projects	Improvements to the King Street Precinct including replacing the planters, adding seating, moving the taxi rank and bus stop and increasing short stay parking in front of the shops.	Improvements to the council car parks on Heathcote Street . New parking spaces will be created, including designated spaces for disabled users and electric vehicle charging points. The former Brown's Garage site is available for additional parking during the works.
Start date	Late June 2026	Late summer/early autumn 2026
Duration/expected completion	6 weeks Mid-August 2026	Estimated 4 months from start date

Other works planned (not Town Deal - for information only)

The project	Start date	Duration/expected completion
Kidsgrove Library Revamp A project of renovation across Staffordshire Libraries is taking place from late autumn onwards, including the refurbishment of Kidsgrove Library as part of the programme.	Autumn/winter 2026	To be confirmed when programme of works finalised.
Gloucester Road works Highways works are also currently planned for Gloucester Road and Newchapel Road. More detail on the works to be undertaken and timescale will be provided by Staffordshire County Council closer to the start date.	Autumn 2026	To be confirmed when programme of works finalised.
