

# Newcastle-under-Lyme Knowledge Test

## Local Area Knowledge

Each test will comprise of 16 of the places below. You will be required to provide an answer of the postal street address or industrial estate where they are located. You will NOT be required to provide postcodes. The list will be picked to test your knowledge of the area as a whole and will therefore cover different geographical areas and types of business. It may be that this list is updated over time, if this occurs we will update the list available on the website before making any changes.
